Good Afternoon:

I invite you to celebrate African American Families with AAHGS Journal. Our Journal documents and preserves African and African American experience by publishing historical and genealogical articles about our families and communities. We also disseminate historical and genealogical resources that facilitate research on African American families and communities.

Placing an ad in this Journal presents a unique opportunity to tout the resiliency of African American life in a beautiful full-page ad featuring a photo of your family, ancestors, or organization. Ads can include commentary of up to 200 words detailing the history, achievements, journey of the people or organization featured. This one-time opportunity is open to members and non-members. Each ad costs $110. Smaller ad sizes are not available.
